Much Georgia cotton is being market-

OFFICIAL JOURNAL OF THE CITY. THURSDAY MORNING, : :: NOV. 2, 1871.

THE price for the publication of cand dates' notifications in the APPEAL will be ten dottars, in every instance payable in advance. Several hundred dollars outstanding warn us not, under any circun stances, to deviate from this rule.

TAXATION 85 ON THE 8180. Since 1861, when the class of Sippunt the question of taxation, the most vital of the reduction of public burdens to a in its consequences to the people, her minimum. been treated in as off-hand a style and with about as much consideration as a charier for a turnpike, certainly with not half the debate or wrangling that an unvoke. The city, to use a hackneyed and vulgar phrase, "goes foe!" its share, and official existence. The Federal congress levies its exections without any reference county to those of the city. Each taxes upon its own secount, with special reference to its own needs or possible necessities, without inquiring, in many instances without caring, what the other may have already required the people to pay. Each the kn-klux, which was first started, i too, has its own system of taxation. The we remember aright, by the Banner is federal taxes oppress every industry, and self. hamper every calling. Bankers and brokers are taxed, merchants, seamen and rivermon, railroads, railroad supply deallarity, and quietly if they can, foreibly if they must, wrench from the victims of official rapacity the means of supporting the vast hoard of public officials, which every year increases in greater ratio than

him, so ad valorem tax upon the capital invested of sixty cents on the one hundred dollars, and a license a possibility that a great combination of tax of the same, making another silvo to the State; then the county comes the base of its operations in constructing in and duplicates this tax, and adds a specal tax for railroad purposes of one dollar and seven and a half cents on the one hundred dollars, and the city takes what is left by a tax on merchandise stock, of fully eight dollars on the one hundred dollars that the citicen has to pay who happens to combine sentatives of the Democratic party whiskies and brandles, and indeed, everynore than all other classes of our people, erument. hould grumble and growl, and con petition the legislature for redress of grievances that cramp them in their work, that the State debts of the South now revent the expansion of their energies, and absolutely have the effect of a disalone the merchants who complain. The spective Status; and adds that a concerted people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of whose earnings all movement is on the people, out of the robbed States of our section to the people, out of the people, out of the people and the peop inlienged our forefathers to revolution. and politicians to that? The taxes of the United States are only perized England. If we add the State, or liberties. We must find relief, and is set down for \$56,914 51. since it cannot be had from congress, we must seek it at the hands of our State growth of a public opinion that will force from which we learn that the exports of a low rate of taxation, from the county, the city, and finally from the federal numbers of cotton, \$221,000,000; tobacco, government. Relief we must have, and \$29,060,0000; breadstuffs, \$9,000,000; oil

BOW GUAGE There will be a meeting of the comm school railroad company at Somerville, Passday, November 7, for the transaction of important business. All the connames are: for Shelby county, John Mil-H. Owen, Wm. R. Moore and N. C. Perkins: for Fayette, Jos. R. Mosby, J. the Radical thieves. Williamson, J. J. Thorpe, Ed R. Scruggs and H. H. Perry; For Henderson, R. F. Jarman, P. J. Neely, J. S. Rob on, A. H. Duncan and P. C. Wilken; for Madison, A. W. Campbell, A. R. Reid F. B. Snipes, Thomas H. Nowbern and R. B, Hurt, The charter fixes no points in the proposed line of road. It is simply designed to connect Memphis with Fackson by a cheap road which will charge cheaper rates than costly reads of five feet guage possibly can define, It is proposed to add another sail to those of the Messphis and Charleston road, from Moze-ohis and Jackson, the stween Mem-Charleston corner. Memphis and comps. Memphis and trais ay can wall af-Memphis: so Somerville. The cost of on miles of grading, bridging and everis would thus be saved, with half the cost of the iron. Such an arrangement might be approved until the development of trade would enable the harrow-gauge ompany to build a direct road from Sc erville to Memphis, From Somerville to this city, the Bolivar and Jackson the Bolivar or Jackson route to Columbia be adopted will depend upon the relative mount of aid proffered by the people and ties east of Jackson and east of Bollvar. The only advantage the Jackson line would have consists in its greater distance rom the old routes. Their competitor would not, perhaps, be so detrimental to the Jackson route. But Bolivar may overcome this objection to its line of road. The primary end to be attained is money,

TYXATION. The Union and American thinks it the PPEAL's purpose to "bring bankruptcy and ruin upon us." Would it not be as well to say that the APPEAL would be enerous first to our own people, and just to the bondholders? that if the rate of taxation be below twenty cents the exses should be appropriated to the repro luction of the stolen school fund? Doe the APPEAL propose to "bankrupt and min" those whom it would relieve tem- Where will be found a splendid stoo porarily of exactions imposed by Mineral Home and other bogus railway schemes Must the owners of these Mineral Homor of old bonds substituted for them by adventurers in ratiroad building, define for the people a rate of taxation? A dozen bondholders readily co-operate and liticians were thrown to the surface to easily make themselves telt at the seat of take the places of the wise and far-seeing government; but the people are volcales statesmanship which presided over the save as the press expounds their wishes, intancy of the States and the Republic, and the press is almost an unit is behalf

THE Nashville Banner indulges in little common sense sometimes. To-wit this paragraph, which we find in its lasue important railroad measure would pro- of Sunday, and which we urgently press upon the consideration of our legislators We are heartly in favor of the bill of Mr Allison, of Williamson, in the afforms, to en wilgar phrase, "goes, foel" its share, and the county and the State come in to take courage home coterprise by exempting the manufactories from taxation for five years. The manufactories from taxation for five years is the plainest dictate of the wisest econom to support a horde of idle, lazy officials, whose sols work it is to ald in the furtherance of the schemes of Grant for the perpetuation of his county for the perpetuation of levies its exactions without any reference to those of the State, the State without solves in their train all these things elegated by the state without subject to those of the county, or the dited a hundred fold above a faxation that

How much more creditable are sue paragraphs as the above, than seary and fretful editorials of a column long abou

The income tax bore heavily upon the rich and fortunate; the poor were exempt JEANS, CASSIMERES, ers, boat and ship builders, and manu- from its burdens. The Northern States facturers and mechanics of all kinds, paid relatively the greater share of this Every article of dress, and every descrip- tax, and how readily the Congress of the tion of food pays toll to support the con- United States was moved in their behalf centrating inderal system. The cradle and to rescind the income tax law! the coffin, the homestead and the grave, Wealth stood by and demanded its the coffin, the homesteed and the grave, weath stood by and demanded is the importations of the country and the thorough modification or repeal. The devertations of the country and the unada of the rich and fortunate were considered as a local property of the stood by and demanded is in the city, all widths, all colors and all qualities.
